South Carolina for Approval of Revisions	)	GRANTING
to their General Customer Services Tariff	)	EXTENSION

due to Fraudulent Use of this Service.	)	

This matter is before the Public Service Commission of South Carolina (the Commission) on the request of GTE South, Inc. (GTE) and Contel of South Carolina (Contel) requesting an extension of time until January 10, 1995 to prefile testimony in this Docket.

On December 9, 1994, this Commission issued Order No. 94-1260, ordering GTE and Contel to prefile with the Commission or or before January 5, 1995, its testimony and exhibits in this Docket. Both GTE and Contel now comes before this Commission requesting an extension of time from January 5, 1995 to January 10, 1995 to prefile testimony and exhibits. The Companies state that due to the Christmas holidays, their experts weren't available for consultation in the development of testimony in this case and, therefore, both request an additional amount of time until January 10, 1995 to complete and prefile the testimony.

The Commission has examined this matter and believes that both Companies has shown good cause for the extension, and that the request should therefore be granted.
